

## CONTENTS

No.	Subject	Page
1	<b>Anti-microbial Activity of <i>Alpinia Galanga</i> Rhizome Extracts against Some Plant Pathology</b> Hanaa A.E. Attia	1
2	<b>Extraction, Formulation of Phenolic Compounds from <i>Morus Spp.</i> and <i>Canna Indica</i> and Evaluation of Their Nematicidal Activity against Root-Knot Nematodes <i>Meloidogyne Spp.</i></b> Hesham.I. Abd-Alla	5
3	<b>Effect of Saponin as Natural Product on Nematicidal Effect of Oxamyl and Cadusafos Nematicides against Root-Knot Nematode</b> Hala S. Ibrahim	10
4	<b>Preparation of Propolis as suspension concentrate and Evaluation of Its Nematicidal Efficiency on Root-Knot Nematode <i>Meloidogyne Spp</i></b> Hala S. Ibrahim, H. I. Abd-Alla, A. M. A. El-Kady, and Hamouda, S.E.S	14
5	<b>Herbicidal efficiency of <i>Alhagi maurorum</i> formulated extract against wheat seed as pattern for monocotyledonous plants</b> Howida M. Torkey	17
6	<b>Prediction of resistance and its stability of cowpea aphid, <i>Aphis craccivora</i> (Koch) to chloropyrifos-methyl</b> El-Sayed M. S. Mokbel	24
7	<b>EFFECT OF SOIL TYPES AND COMBINATION OF CERTAIN BIO-AGENT COMPOUNDS ON THEIR EFFECTIVENESS AGAINST THE ROOT- KNOT NEMATODES, <i>Meloidogyne incognita</i></b> A. A. A. Deabes, S.M. Dahroug, A.E.A Mahgoob and Aida M. El-Khouly	30
